

A large, dark, jagged rock formation stands prominently on a sandy beach. The rock is dark grey or black, with a rough, textured surface. Waves are crashing against its base, creating white foam. The ocean is a deep blue-green color. In the background, there are more rocky hills or cliffs, some covered in sparse green vegetation. The sky is clear and blue. The overall scene is a dramatic coastal landscape.

against thee: they imagined a  
mischievous device, which they  
are not able to perform.
