

A scenic view of a rocky coastline. In the foreground, dark, jagged rocks protrude from the water, with white foam from waves crashing against them. In the middle ground, a large, dark rock formation is partially submerged, with a small waterfall cascading over its top edge into the sea. The water is a deep, dark blue-green color, and the sky is not visible. The overall atmosphere is dramatic and powerful.

**Psalm 29:03 The voice of the
LORD is upon the waters: the God
of glory thundereth: the LORD is
upon many waters.**
