

A high-angle photograph of a waterfall cascading down a rugged, rocky cliff face. The water is white and frothy as it falls, creating a central vertical column of white. The surrounding rock is dark grey and brown, with patches of green moss and small plants. The top of the cliff is covered in dense green trees and foliage. The overall scene is a natural, scenic landscape.

soundness in my flesh because of
thine anger; neither is there any
rest in my bones because of my sin.**
