

A close-up photograph of a branch of a bleeding heart plant. The branch is dark reddish-brown and hangs diagonally across the frame. It is covered with several bright pink, heart-shaped flowers that have white centers. The flowers are in various stages of bloom, some fully open and some as buds. The background is a soft-focus green, showing other leaves and flowers of the same plant. The lighting is bright, suggesting a sunny day.

whisper together against me:
against me do they devise my hurt.**
