

A close-up photograph of a tulip flower. The flower is the central focus, showing its six petals which are white with prominent pink or magenta streaks. The center of the flower is a bright yellow, with several dark brown stamens visible. The background is softly blurred, showing more of the same flower and green leaves. In the lower-left corner, a small, unopened tulip bud is visible, along with several large, vibrant green leaves.

**Psalms 80:18 So will not we go back
from thee: quicken us, and we will
call upon thy name.**
