

A close-up photograph of a corn plant. The image shows several green, pointed leaves and two developing ears of corn. The ears are partially covered by the husks and have a fuzzy, yellowish-green appearance. The background is a dense field of similar corn plants, creating a sense of depth and texture. The lighting is bright, highlighting the vibrant green of the leaves and the intricate details of the corn cobs.

Proverbs 01:21 She crieth in the
chief place of concourse, in the
openings of the gates: in the city
she uttereth her words, saying ,
