

A close-up photograph of a white acacia flower cluster against a background of green leaves. The flowers are small, white, and arranged in a long, drooping raceme. The leaves are large, green, and have a distinctively lobed or pinnate structure. The lighting is bright, creating a soft glow around the flowers and highlighting the texture of the leaves.

**Proverbs 01:06 To understand a  
proverb, and the interpretation;  
the words of the wise, and their  
dark sayings.**
