

A close-up, slightly blurred photograph of a vast field of golden wheat. The stalks are densely packed and sway gently, creating a textured, rhythmic pattern of light and shadow. The color is a warm, rich yellow-gold, typical of mature grain ready for harvest. The background is a soft, out-of-focus expanse of the same field, extending to a distant horizon under a pale sky.

purposes are disappointed: but in
the multitude of counsellors they
are established.**
