

A close-up photograph of a large cluster of small, five-petaled pink flowers. The flowers have a delicate, light pink hue with darker pink centers. They are surrounded by lush green foliage, including thin, needle-like leaves and small green buds. The background is slightly blurred, showing more of the same flowers and greenery. The overall scene is vibrant and natural.

Proverbs 19:06 Many will entreat  
the favour of the prince: and every  
man is a friend to him that giveth  
gifts.
