

A close-up, slightly high-angle shot of a vast field of golden wheat. The wheat stalks are densely packed and their heads are heavy with grain, creating a textured, undulating surface. The color is a warm, rich gold, suggesting a late summer or autumn harvest. The background shows the field extending to a flat horizon under a clear, bright sky.

Proverbs 03:14 For the
merchandise of it is better than
the merchandise of silver, and the
gain thereof than fine gold.
