

A close-up photograph of two vibrant red tulips. One tulip is in the foreground, fully open, showing its six petals and a dark purple center with yellow stamens. The other tulip is slightly behind and to the left, also in bloom. Large, smooth green leaves are visible behind the flowers. The background is dark and out of focus, with some thin, light-colored roots or stems visible on the left side.

that is surety for a stranger, and
take a pledge of him for a strange
