be a meat offering baken in the
fryingpan, it shall be made of fine
flour with oil.**

A close-up photograph of a bouquet of roses. The roses are in various stages of bloom, with colors ranging from deep red to bright orange. The petals are layered and have a soft, velvety texture. In the center of the bouquet, there is a cluster of small, white, star-shaped flowers, likely baby's breath. The background is dark and out of focus, showing the rough bark of a tree trunk on the right side. The lighting is bright, highlighting the colors and textures of the flowers.
