

A low-angle photograph of a forest with sunlight streaming through the trees, creating a bright, hazy atmosphere. The sun is positioned in the lower-left quadrant, casting rays of light upwards and outwards. The trees are dark green and their branches are silhouetted against the bright sky. The overall mood is serene and natural.

**Leviticus 11:47 To make a difference
between the unclean and the clean,
and between the beast that may be
eaten and the beast that may not
be eaten.**
