

A close-up, slightly high-angle shot of a vast field of golden wheat. The wheat stalks are densely packed and their heads are heavy with grain, creating a textured, rhythmic pattern of light and shadow. The color is a warm, golden-brown, suggesting a late summer or autumn harvest. The background is a soft-focus expanse of the same field, leading to a clear, bright sky at the very top.

between the unclean and the clean,
and between the beast that may be
eaten and the beast that may not
be eaten.**
