

**Leviticus 11:47 To make a difference
between the unclean and the clean,
and between the beast that may be
eaten and the beast that may not
be eaten.**

A photograph of a beach with driftwood and sand dunes. The scene is captured in a dark, moody light, possibly at dusk or dawn. In the foreground, a large, weathered piece of driftwood lies horizontally across the frame. The sand is dark and textured, with several smaller pieces of driftwood scattered around. In the background, a large, rounded sand dune rises against a dark sky. The overall atmosphere is somber and quiet.
