

A close-up photograph of a field of purple pansies. The flowers are in various stages of bloom, with some showing yellow centers and dark purple markings on their petals. A prominent white diagonal line, possibly a branch or a piece of paper, runs from the top right towards the bottom left, crossing through the flowers. The background consists of green foliage and some dry, light-colored grass or twigs.

Leviticus 13:12 And if a leprosy  
break out abroad in the skin, and  
the leprosy cover all the skin of  
him that hath the plague from his  
head even to his foot, wheresoever  
the priest looketh;
