

A close-up photograph of a pond. The water is dark, and several large, round, green lily pads float on the surface. Some lily pads have yellowish-green spots, possibly from algae or mold. A single, vibrant pink lily flower with a yellow center is in bloom, positioned slightly to the left of the center. The background is dark, making the green leaves and pink flower stand out.

Leviticus 15:13 And when he that hath an issue is cleansed of his issue; then he shall number to himself seven days for his cleansing, and wash his clothes, and bathe his flesh in running water, and shall be clean.
