

A close-up photograph of a bouquet of pink roses. The roses are in various stages of bloom, with some fully open and others as buds. The petals are a vibrant pink color. Green leaves and fern-like foliage are interspersed among the roses, providing a natural background. The lighting is soft, highlighting the texture of the petals.

Leviticus 15:26 Every bed whereon she lieth all the days of her issue shall be unto her as the bed of her separation: and whatsoever she sitteth upon shall be unclean, as the uncleanness of her separation.
