

A close-up photograph of a brown moth resting on a green, succulent-like plant with small, pointed leaves and tiny flowers. The moth is positioned in the center-right of the frame, with its wings spread, showing a mottled brown and orange pattern. The plant has small, pointed, green leaves and tiny, light-colored flowers with dark centers. The background is dark and out of focus.

Leviticus 16:12 And he shall take a censer full of burning coals of fire from off the altar before the LORD, and his hands full of sweet incense beaten small, and bring it within the veil:
