

A close-up photograph of a large, vibrant red rose in full bloom, positioned centrally in the foreground. The rose's petals are layered and rich in color. In the background, a lush garden scene is visible with various other flowers, including smaller pink and purple blossoms, and green foliage. The background is softly blurred, creating a bokeh effect. The overall lighting is bright and natural, suggesting a sunny day outdoors.

Leviticus 18:11 The nakedness of thy father's wife's daughter, which is thy daughter-in-law, thou shalt not uncover her nakedness.
