

Leviticus 22:07 And when the sun  
is down, he shall be clean, and  
shall afterward eat of the holy  
things; because it is his food.

A close-up photograph of a vibrant red lily flower. The petals are a rich, saturated red, adorned with numerous small, dark brown spots. The flower is in full bloom, with its stamens and pistil visible in the center. Surrounding the main flower are several green buds and leaves, some showing signs of being recently watered with droplets of water. The background is a soft-focus green, suggesting a garden or field setting.
