

A photograph of a field of sunflowers. In the foreground, a single bright yellow sunflower with a dark brown center is in sharp focus. Behind it, several other sunflowers are visible, some in various stages of bloom and some as dark, seed-filled heads. The background is a soft-focus field of green foliage and more sunflowers under bright, natural light.

Leviticus 23:16 Even unto the
morrow after the seventh sabbath
shall ye number fifty days; and ye
shall offer a new meat offering
unto the LORD.
