

A close-up photograph of green chives with small, light-colored flower heads. The chives are in focus, showing their long, thin green leaves and clusters of tiny flowers. The background is a soft, out-of-focus green.

Leviticus 25:33 And if a man purchase of the Levites, then the house that was sold, and the city of his possession, shall go out in the year of jubilee: for the houses of the cities of the Levites are their possession among the children of Israel.
