

A large, weathered, grey log lies horizontally across the middle of the frame. The log is heavily textured with deep grooves and knots, showing signs of significant age and exposure to the elements. It rests on a ground surface composed of dry grass, small rocks, and patches of green grass. In the background, a dirt path or clearing is visible, bordered by more greenery and a rocky embankment. The overall scene is natural and somewhat desolate.

offering made by fire unto the
LORD: it is a trespass offering.
