

**Ecclesiastics 01:10 Is there any
thing whereof it may be said, See,
this is new? it hath been already of
old time, which was before us.**

A close-up photograph of a purple orchid flower with several buds on a stem, set against a dark background. The flower is the central focus, with its large, flat petals and intricate center clearly visible. The buds are smaller and more rounded, showing the typical shape of an orchid flower before it opens. The lighting is soft, highlighting the texture of the petals and the vibrant purple color.
