

A scenic view of a rocky coastline. In the foreground, large, smooth, light-brown sandstone rocks are scattered across the shore. The ocean is a deep blue-green color, with white foam from waves crashing against the rocks. In the background, a steep, dark cliffside is covered in dense green forest. The sky is not clearly visible, but the overall scene is bright and natural.

Ecclesiastics 03:18 I said in mine heart concerning the estate of the sons of men, that God might manifest them, and that they might see that they themselves are beasts.
