

A scenic view of a rocky coastline. The foreground and middle ground are dominated by layered, grey rock formations, likely limestone or sandstone, showing signs of weathering and erosion. The rocks are stacked in horizontal layers, creating a textured appearance. In the background, the ocean stretches to the horizon under a clear, bright blue sky. The overall atmosphere is serene and majestic.

Song of Solomon 04:08 Come with

Shenir and Hermon, from the
lions' dens, from the mountains of
the leopards.
