

A lush green forest stream with water cascading over rocks, surrounded by moss and ferns. The water is clear and flows over dark, wet stones. The surrounding vegetation is dense and vibrant green, with moss growing on the rocks and ferns lining the banks. The scene is peaceful and natural.

**Song of Solomon 08:06 Set me as a
seal upon thine heart, as a seal
upon thine arm: for love is strong
as death; jealousy is cruel as the
grave: the coals thereof are coals of
fire, which hath a most vehement
flame.**
