

A scenic view of a rocky coastline. In the foreground, a large, dark, jagged rock formation juts out into the water. The rock is covered in some green moss or algae. To the right, a smaller, lighter-colored rock formation is visible, with some green grass growing on it. The ocean is a deep blue, with white waves breaking in the distance. The sky is a clear, bright blue. The overall scene is a beautiful coastal landscape.

are deceived; they have also
seduced Egypt, even they that are
