

Isaiah 35:07 And the parched
ground shall become a pool, and
the thirsty land springs of water:
in the habitation of dragons,
where each lay, shall be grass with
reeds and rushes.

A photograph of a coastal scene. In the center, a large, dark, craggy rock formation rises from the ocean. Waves are crashing against its base, creating white foam. A small, dark bird is perched on the very top of the rock. The ocean extends to the horizon under a clear, light blue sky. The foreground is a sandy beach.
