

A close-up photograph of blackberry branches. The branches are covered with green leaves and clusters of berries. Some berries are dark purple/black, indicating they are ripe, while others are bright red, indicating they are unripe. The background is a soft-focus green, suggesting a dense thicket of bushes.

Isaiah 44:22 I have blotted out, as a
thick cloud, thy transgressions,
and, as a cloud, thy sins: return
unto me; for I have redeemed thee.
