

A close-up photograph of a bright yellow flower, possibly a lily or a similar species, with several large, ruffled petals. The flower is set against a dark, almost black background, which makes the vibrant yellow color stand out. In the background, there are several green buds and stems, some of which are slightly out of focus. The lighting is soft, highlighting the texture of the petals and the delicate structure of the buds. The overall mood is one of natural beauty and tranquility.

**Isaiah 49:13 Sing, O heavens; and
be joyful, O earth; and break forth
into singing, O mountains: for the
LORD hath comforted his people,
and will have mercy upon his
afflicted.**
