

A close-up photograph of a blackberry branch. The branch is covered in small, sharp thorns. Several clusters of ripe, dark purple-black berries are visible, some in sharp focus and others slightly blurred. The leaves are bright green with serrated edges. The background is a soft-focus green, suggesting a natural outdoor setting.

Jeremiah 14:07 O LORD, though
our iniquities testify against us, do
thou it for thy name's sake: for our
backslidings are many; we have
sinned against thee.
