

A photograph of a squash plant. The image shows several large, green, lobed leaves with some holes, likely from insects. A bright yellow flower is in bloom in the upper center. Below it, a pale yellow squash fruit is visible. Another yellow flower is in the lower right. The background is dark soil.

Jeremiah 20:12 But, O LORD of
hosts, that triest the righteous,
and seest the reins and the heart,
let me see thy vengeance on them:
for unto thee have I opened my
cause.
