

A photograph of a stone structure, possibly a well or a small shrine, with a wooden roof. The roof is made of dark, weathered wooden beams, and sunlight filters through the gaps, creating a pattern of light and shadow on the stone walls and floor. The stone walls are made of large, rough-hewn blocks. The floor is also made of stone. The background shows green foliage and a bright sky.

Jeremiah 42:16 Then it shall come to pass, that the sword, which ye feared, shall overtake you there in the land of Egypt, and the famine, whereof ye were afraid, shall follow close after you there in Egypt; and there ye shall die.
