

A close-up photograph of a bouquet of flowers. The bouquet features several types of blossoms: bright pink flowers, small white flowers, and a large, prominent light pink flower with orange-tinted petals. The flowers are interspersed with vibrant green leaves. The background is softly blurred, showing more of the bouquet and a hint of a white surface.

Lamentations 05:18 Because of the  
mountain of Zion, which is  
desolate, the foxes walk upon it.
