

A vibrant garden scene with various flowers and greenery, serving as a background for the text. The garden features a mix of green foliage, purple flowers, orange and pink flowers, and white flowers. A path of light-colored gravel is visible in the lower right corner.

**Ezekiel 21:14 Thou therefore, son  
of man, prophesy, and smite thine  
hands together, and let the sword  
be doubled the third time, the  
sword of the slain: it is the sword  
of the great men that are slain,  
which entereth into their privy  
chambers.**
