

A photograph of a garden scene. On the left, there are several pink flowers with dark brown centers, likely Echinacea. The center and right side of the image are dominated by a dense, low-growing green plant. To the right, a path made of small, light-colored pebbles runs diagonally. The background shows more greenery and a hint of a wooden fence or structure. The overall scene is bright and sunny, with shadows cast on the ground.

**Ezekiel 22:07 In thee have they set
light by father and mother: in the
midst of thee have they dealt by
oppression with the stranger: in
thee have they vexed the fatherless
and the widow.**
