

A large, smooth, brown stone is floating in the middle of a body of water. The water is a deep blue with white, frothy ripples around the stone, suggesting it is being tossed or is in the middle of a wave. The stone is a warm, earthy brown color and has a very smooth, polished surface. The background is a vast expanse of water with similar ripples, extending to the horizon. The overall scene is serene and natural.

**Ezekiel 30:21 Son of man, I have broken the arm of Pharaoh king of Egypt; and, lo, it shall not be bound up to be healed, to put a roller to bind it, to make it strong to hold the sword.**
