

A close-up photograph of a black spider web. The web is the central focus, with its intricate spiral and radial patterns clearly visible. In the background, a monarch butterfly with its characteristic orange and black wings is partially visible, though out of focus. The background is a soft, blurred green, suggesting a natural outdoor setting with foliage. The lighting is bright, creating highlights on the web's threads.

Ezekiel 33:23 Then the word of the
LORD came unto me, saying,
