

A close-up photograph of several lilies. The main focus is on two large lilies with white petals and prominent pink streaks. Their centers show yellow and green parts, including stamens and a pistil. In the lower-left corner, a smaller, purple lily is partially visible. The background is a soft-focus green, suggesting foliage. The text is overlaid in white, bold, sans-serif font.

**Ezekiel 41:17 To that above the door,  
even unto the inner house, and  
without, and by all the wall round  
about within and without, by  
measure.**
