

A close-up photograph of several bright green, lobed leaves with serrated edges. The leaves are set against a dark, blurred background. Overlaid on the upper portion of the image is white text in a serif font, which reads: "Ezekiel 47:11 But the miry places thereof and the marishes thereof shall not be healed; they shall be given to salt." The text is arranged in four lines, with the first line being the longest and the last line being the shortest.

**Ezekiel 47:11 But the miry places
thereof and the marishes thereof
shall not be healed; they shall be
given to salt.**
