

Ezekiel 48:17 And the suburbs of the city shall be toward the north two hundred and fifty, and toward the south two hundred and fifty, and toward the east two hundred and fifty, and toward the west two hundred and fifty.

A landscape photograph of a forest. The foreground and middle ground are filled with a dense stand of trees. Many of these trees are dead, appearing as thin, grey, vertical trunks without foliage. Interspersed among these dead trees are several healthy, green evergreen trees, likely spruce or fir. The background shows a clear, bright blue sky. The overall scene suggests a forest recovering from a fire or a natural die-off.
