

A close-up photograph of a field of Gaillardia flowers. The flowers are in various stages of bloom, with some showing bright yellow centers and red-orange petals, while others are still in bud or have faded. A small bee is visible on one of the flowers in the center. The background is filled with green foliage and more flowers, creating a dense and vibrant scene.

Ezekiel 48:29 This is the land
which ye shall divide by lot unto
the tribes of Israel for inheritance,
and these are their portions, saith
the Lord GOD.
