

Ezekiel 10:15 And the cherubims
were lifted up. This is the living
creature that I saw by the river of
Chebar.

An aerial photograph of a rocky coastline. The water is a deep blue, and the rocks are dark and jagged. There is a lot of seaweed or kelp in the shallow water, appearing as dark green and brown patches. The sky is a clear, pale blue, suggesting a bright day. The overall scene is serene and natural.
