

A photograph of several sunflowers with bright yellow petals and dark brown centers, set against a background of a weathered wooden fence. The sunflowers are in various stages of bloom, with some fully open and others still budding. The green leaves of the plants are visible, and the overall scene is brightly lit, suggesting a sunny day.

**Daniel 11:30 For the ships of  
Chittim shall come against him:  
therefore he shall be grieved, and  
return, and have indignation  
against the holy covenant: so shall  
he do; he shall even return, and  
have intelligence with them that  
forsake the holy covenant.**
