

A snowy winter landscape with a line of bare trees in the background. In the distance, several people are visible, some appearing to be snowed out or participating in a winter activity. The text is overlaid in white, bold, sans-serif font.

Daniel 11:30 For the ships of  
Chittim shall come against him:  
therefore he shall be grieved, and  
return, and have indignation  
against the holy covenant: so shall  
he do; he shall even return, and  
have intelligence with them that  
forsake the holy covenant.
