

A close-up photograph of a garden. In the foreground, several bright red carnations are in full bloom, their petals showing some white variegation. The flowers are surrounded by lush green leaves and stems. In the background, there are more green plants, including what appears to be a small evergreen tree or shrub, all slightly out of focus. The overall scene is bright and colorful, with natural lighting.

Daniel 11:05 And the king of the south shall be strong, and one of his princes; and he shall be strong above him, and have dominion; his dominion shall be a great dominion.
