

A close-up photograph of several bright yellow flowers, likely from the Umbelliferae family, with a dark, blurred background. The flowers are in various stages of bloom, with some showing the intricate structure of the tiny individual flowers. The lighting is bright, highlighting the texture of the petals and the green stems.

**Hosea 13:08 I will meet them as a bear that is bereaved of her whelps , and will rend the caul of their heart, and there will I devour them like a lion: the wild beast shall tear them.**
