

A large, weathered, grey log lies horizontally across the middle of the frame. The log is heavily textured with deep grooves and knots, showing signs of significant age and exposure to the elements. It rests on a patch of dry grass and small rocks. In the background, there are several evergreen trees, some of which appear to be young spruce or fir. To the right, a portion of a light-colored building with a door is visible. The overall scene is outdoors, likely in a rural or wilderness area.

Amos 06:14 But, behold, I will raise
up against you a nation, O house
of Israel, saith the LORD the God
of hosts; and they shall afflict you
from the entering in of Hemath
unto the river of the wilderness.
